## A Graduate Reflects

OSU was the last place I wanted to go to college — my parents, my brother, aunts, uncles, and even grandparents had all gone to Oregon State and they all encouraged me to attend, but I wanted to break the mold and strike out on my own. At the last minute, due to some financial and residency difficulties, I was forced into OSU. From that day on, it was the best mistake that could have ever happened to me!

I am now one week away from graduating. Looking back on it all, I can honestly say the greatest assets I am taking with me into my new (nonschool) life are the friends and the relationships I have made.

I am sure all the alums (I like that word; it will look good on me) reading this will agree that the dearest things missed are the friends and the good times. And who (or what) do I have to thank for these friends and good times: first of all, God, and secondly, dear ol' Theta Chi. Theta Chi provided the structure to build myself individually, by teaching me responsibility and reliability — Truth; teaching me moderation — Temperance; and teaching me interaction skills — Tolerance. Theta Chi is also the breeding ground for friendships — strangers who become friends.

To end, I can only say that I owe a great deal of "thanks" to Oregon State and Theta Chi. They will always hold a fond spot in my heart. My advice to all those who may read this is to get ahold of those pledge bros and buddies you had in college. Remember the Theta Chi Fraternity alumni motto: "Keep in touch." — *Jon P. Bettendorf, Business/Finance '88*

## Theta Chi Extends "Thank You" to Its \$50+ Contributors

On behalf of all the undergraduates at Sigma Chapter, I extend a hearty "thank you" for all of your donations this year. We have generated a total of \$3,413. I personally thank the brothers whose contributions were \$50 or more. This is outstanding!

## Sigma Chapter Welcomes 10

The undergraduate members welcome the following brothers into Sigma Chapter. Why not look over the names and home towns — is there anyone you know?

January 16, 1988

- 1199 Tyler Wayne Cox . . . . . Jefferson, OR
- 1200 David Conrad Ogden . . . . . Tacoma, WA
- 1201 David John Martinez . . . . . Salem, OR
- 1202 Kevin Daryl Hugulet . . . . . West Linn, OR
- 1203 Richard Earl Freepons . . . . . Junction City, OR
- 1204 David Jon Wolf . . . . . Salem, OR

- 1208 James William Dwyre . . . . . Gresham, OR

Alumni support helps purchase Hobart dishwasher.

The Theta Chi Chapter is proud of its new walkway.

## No More Dishpan Hands!

As an alumnus, I am sure that many of you wonder what happens to your donation money. Here is a good example: The old dishwasher served us all for many good years, but finally "bit the big one." With the help of our alumni, we were able to purchase a brand new Hobart dishwasher. If it weren't for the fine support of our alumni, Sigma Chapter would not be maintained as well as it has been. "Thanks" to all!

## Mark Your Calendar! Summer Picnic at Lon Jensen's

To promote the unity of Theta Chi alumni throughout the state, Lon Jensen, our alumni advisor, suggested that we have an all-state picnic. The date, place, and time will be announced at a later date, but it is set to occur during July. We would like to see participation from all Theta Chis and their families for a big old time.

Watch for details in upcoming newsletters.

## Brothers Who Don't Stop Giving

After the brothers of the "World War II Era" gathered for their reunion last year, they got together and decided to build us a new front walkway to replace the old and broken one. Bill Wright, our chapter financial advisor, headed up the construction. During fall term, he and his son, who is a professional contractor, poured the new walkway. The brick will also be replaced.

We would like to thank them for their volunteered time, and the "World War II Era" alumni whose contributions made it all possible.

## "Tattle Tales" – Have YOU Written Lately?

Having just glanced through a few old issues of *The Sigma Tattler*, I noticed that some consisted entirely of "Tattle Tales." In my mind, that's just the way it should be. I believe that the main purpose for the *Tattler* is not just to see how it is going at the chapter, but also to be able to catch up on your own pledge brothers.

As I read through some tales, George Epper-son's [41-301] name stood out as the biggest contributor of stories. I'm sure all of George's pledge bros know what he is up to, but I'll bet he doesn't know what most of them are doing.

With these words, go ahead and take the time to write us. We're dying to hear from you. — Brooks Howard, Alumni Representative

## Second-Floor Bathroom Project: Sigma Chapter Cites Donors

The following brothers designated all of their 1986 contribution to the Sigma Chapter "Second-Deck Head Project," and were not included on the 1986 Honor Roll of Contributors. These 51 contributors, along with the 69 brothers listed on the 1986 Honor Roll (many of whom gave both to the Second-Deck Head Project and the alumni communications program), combined to total \$5,092 that year — Second-Deck Head Project: \$3,505; alumni communications program: \$1,587. [ED. NOTE: These figures represent a correction from the dollar total published in the fall 1987 Sigma Tattler. We regret any inconvenience this may have caused.]

## The Founding of Sigma Chapter

*Editor's note: The following is a brief history of the founding of Sigma Chapter at Oregon State, written by Brother Francis C. Brown, who passed away on June 23, 1982. This article was received from his daughter, Mary Jane, and we offer it in remembrance of him.*

Sixty-six years ago Charles W. Storz and I met at the beginning of the first semester of the 1913-14 college year. We were both freshmen. We roomed and boarded at a private family's home for one month, then moved to a boarding house, known as Alpha Hall, which had previously been a girls' dormitory. This boarding house was conducted by Mrs. Cussick. She was having a hard time making financial ends meet. Chuck and I talked the situation over and decided we could form a club and hire Mrs. Cussick as our cook and housekeeper. We called the roomers together and they agreed to go along with this idea. These students were a serious, friendly group bent on getting an education.

Owing to the fact that I had studied Latin in high school, the word "amicus" came to mind and I suggested it for the club name, which was readily accepted. Chuck Storz was elected president, George Rhodes secretary-treasurer, and myself manager. I fed and housed this group for \$13.20 per person for the first month and everyone was happy. All the members pitched in and helped with all the work in the kitchen, dining room, and main halls. We were able to keep our monthly expenses below the twenty-dollar-a-month figure, per person, for board and room during the rest of that school year. We rocked along through the second year at about the same pace. Our grades were good to excellent, student activities on the plus side, a good congenial group of members, so we decided to try for a national fraternity.

A committee was formed, chaired by John Simpson. He came up with the probability that Theta Chi would be receptive to our petition. Theta Chi accepted and we were taken into the National as Sigma Chapter in our third year as a club. From a "rook club" to a national fraternity, in less than three years by a group of young men who wanted a home and an identity; I always considered it was quite "some doing."

In the long run one gets out of a fraternity what he puts into it — social etiquette, fellowship, brotherly love, and an education that better fits one to take his place in this world with his fellow man.

Since leaving the halls of learning at OAC, U of WA, Rockefeller Institute, Yale University, and my stint in the Army hospitals of World War I, I have conducted my own business. My wife and I own a ranch near Fort Klamath, Oregon. I have owned and operated sawmills, logging shows, trucking lines, and all that goes with them. We have both retired and live on the ranch. Our home overlooks most of the north end of the Upper Klamath Valley and Lake. We have a daughter and son, four grandchildren, and two great-grandchildren. Our daughter is a registered nurse, and our son is the general manager and head of the firm that still bears my name. He is a member and director of an international lumberman association and does considerable traveling. He is also an airplane pilot.

I have two personal letters from Brother George T. Kilavos, national president of Theta Chi, one thanking me for my continuing support of the national fraternity and the other in connection with the death of Brother Charles Curtiss. He was one of the finest men I have ever known. He owned a large cattle ranch near mine. His son, Cameron A. Curtiss, is a Sigma (851); he now runs the ranch.

The following is a quote from Brother Kilavos' letter to the wife of Charles Curtiss: "Brother Curtiss has taught many of us a valuable lesson, that man has a capacity to extend a helping hand beyond his immediate family and work for the good of all concerned, the ultimate in Brotherhood. 'There is a destiny that makes us brothers, none goes his way alone, all that we send into the lives of others, comes back into our own.' [from "A Creed" by poet Edwin Markham, Lambda Chi Alpha]"

Theta Chi was founded the year after my mother's birth in 1856. I have been a member for 63 years of this 123 years.

Faternally,

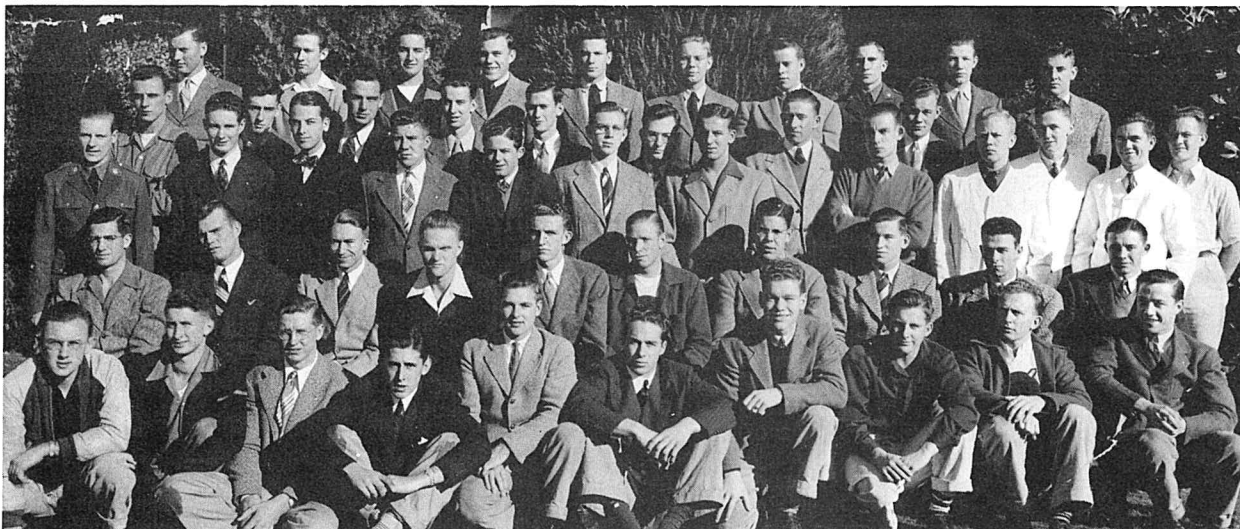

Francis D. Brown

## Alumni Whereabouts Unknown

The 93 brothers listed below are not receiving *The Sigma Tattler* or any news of alumni events because we have no addresses for them. We are asking you to assist us in our search for information. Please take a few moments to read over the list — especially the names near your own initiation year. If you know of an address, date of death, etc., that information would be greatly appreciated. In fact, any clue, such as an employer, last town lived in, parents' names or addresses, etc., could be important.

If you have any clues, please send all information to: **Sigma Chapter Alumni Office, 635 SW 4th St., Corvallis, OR 97333.** We thank you in advance for any "sleuthing" you can do for us.

## Tattle Tales

**Charles E. Taylor, '17-33**, a retiree, shares, "I returned to OSU last June for the 65th reunion of the Class of '22. I visited Sigma Chapter for a few minutes. I envy you the luxury of a home like that compared to what we had in the early 20s." Chuck and his wife, Esther, are the parents of Joan Spencer, and reside at 1615 Circle Dr., #205, Lacey, WA 98503.

**Donald E. Hartung, '24-96**, and his wife, Ann (ΣK, OSU), have a daughter, Carolyn (53), and live at 333 Ross Lane, Puyallup, WA 98371. Don congratulates the chapter and shares, "So many of our Puyallup students at the U of WA are Theta Chis!"

**Arnold Z. Greenlaw, '32-187**, notes, "My wife (Elsie Ann) of 49 years, 11 months, passed away suddenly in 1985. Her maid of honor, Mary [Brown University], and I were married on December 27, 1986. Now I have double the family and twice as many friends. I can't believe how busy I am and how short the days and years are. How wonderful is Sigma's record of total accomplishment and growth!" Arnold is the father of David (47) and Alan (deceased, Vietnam). "Zeke" retired from the US Bureau of Reclamation after 38 years. The Greenlaws make their home at 278 Calle Higuera, Camarillo, CA 93010.

**Jack L. Nicholas, '33-202**, retired from Willamette Industries in May 1979, and he and his wife, Maxine, celebrated their 47th wedding anniversary in December 1987. They are the parents of Patricia (44) and David (43). "Nicki" notes, "I was glad to see that my old roommate **Arnold Greenlaw ['32-187]** was still around. Also, 'hello' to **Chet Loe ['32-186]**, **Louis Hanson ['33-206]**, **K. O. Wilson ['36-226]**, and the rest of the 'poor' guys." Address: 922 Windemere Dr., Salem, OR 97304.

**William S. Grenfell, '33-203**, informs, "After serving with the Oregon State Highway and Police Department's radio communications system from 1936-40; the FCC's Monitoring and Radio Inspection Division from 1940-43; the US Navy from 1943-46 (Retired Reserve, 1957, LCDR); and the FCC's Frequency Allocations, Public Safety and Amateur Divisions, from 1946-71, I qualified for a private pilot's license in 1972, with an instrument rating in 1975. I continue to enjoy my amateur ('ham') radio hobby that I've had since 1930 (W7GE, W4GF), flying my Piper Archer (N32151), and writing a report for three monthly publications about the changes in the FCC's regulation of amateur radio." Bill is a member of the Aircraft Owners and Pilots Assoc., the American Radio Relay League, the Foundation for Amateur Radio, the Quarterly Century Wireless Assoc., the Quiet Birdmen, the Radio Club of America, the Society of Wireless Pioneers, and the Veteran Wireless Operators Assoc. He lives with his wife, Bernece (Eastern Oregon State), at 7216 Valleycrest Blvd., Annandale, VA 22003.

**Kenneth O. Wilson, '36-226**, is a regional fire chief with the US Forest Service (43 years). He and his wife, Eleice, are the parents of Gregory (40) and Robert (38). "Kayo" enjoys golf, gardening, and travel, and he and Eleice abide at 3110 SW Florida, Portland, OR 97219.

**Robert A. Loeffler, '40-292**, a retired plastic and reconstructive surgeon, states, "I really am impressed by Sigma's awards and accomplishments — individual and group. I'm sorry I was unable to attend the get-together of old house members of the 'World War II Era' — of which I was one. I somehow missed the call. Maybe it's early Alzheimer's? I don't recognize the people by their photos in 'Reunion Photos' or 'Faces at OX — Old and New.' Maybe they should have bigger signs for inclusion in the *Tattler*. My retirement in 1983 has been filled with activities including fishing, golfing, ceramics, and winemaking, and it makes it difficult to sandwich in new activities. Keep up the excellent work — the old frat house looks great." Bob and his wife, Betty Louise (OSC), have five children: Paula Cameto (40), Pamela Holloway (38), Diane Higgins (35), Janice Higgins (29), and Julie (29). The Loefflers reside at 1856 Harvest Rd., Pleasanton, CA 94566.

**Robert L. Kruse, '41-309**, who is president of AAMED Medical (40 years), noted in December, "Excellent *Sigma Tattler*. Thanks for the great entertainment at the WWII reunion. Lake Michigan has more surprises when you race her on a sailboat. In our 333-mile race, my boat made record time in 1987: 42 hours.

Brothers wishing to sail on Lake Michigan, give me your names!" Robert lives at 905 Country Club, La Grange, IL 60525.

**James R. Pope, '42-315**, is a farmer (Pope Ranches, Inc.), and he and his wife, Virginia (Northwestern University), have two children, Lynn (42, OSU/Michigan State, now operating Pope Ranches, Inc.) and Colin (38, a Baptist minister). James is a member of the Rock and Arrowhead Club, and he also does lapidary work. Address: HC 62, Box 28, Merrill, OR 97633.

**Owen M. Cook, '42-337**, is active in Knights of Pythias, Oregon State Grange, and dance clubs. He and his wife, Mildred, are the parents of Thomas (49), Beverly Looney (39), Robert (36), and Byron (34). Owen, who is a "farm businessman," lives with Mildred at 1273 Independence Hwy., Albany, OR 98321.

**George E. Carlson, '43-393**, says, "I'm out of politics after 20 years. I'm up on the ranch full time trying to make it work better, and I'm still involved in a couple of county committees." Address: Carlson Bros. Ranch, Summer Lake, OR 97640.

**Fred E. Harem, '47-459**, writes, "Dorrie [OSU] and I plan to wind up my professional engineering career with CH2M Hill [vice president, division manager, water and wastewater engineering (36½ years)] within the next year and retire in Oregon to be nearer our longtime friends in Corvallis, and family in the Pacific Northwest. This year will conclude over 2 years in Milwaukee, WI, following 2½ years in Alexandria, Egypt. We look forward to seeing you all again." Fred and Doris have three children: Greg (37, manager, Global Diving, Seattle), Vicki Chaudhry (35, works in child and adult psychotherapy, Seattle), and Holly (25, works in publishing, San Francisco). Fred is involved with Rotary, professional engineering societies, travel, theatre, spectator sports, church activities, camping, and family. Address: 1229 N. Jackson St., #102, Milwaukee, WI 53202.

**Ernest W. Templin, '48-493**, informs, "When I returned to the chapter house for my 25th Homecoming in 1975, I found a house in a shambles. Little evidence was noted of interest in studies, and the rooms were a mess. All of this was a lack of pride in the fraternity. I am so very pleased that the present members and members of recent past have worked hard and turned the chapter into a winner. I congratulate you and am proud of your outstanding accomplishments. Please sustain your new dedication to excellence." Ernest lives with his wife, Ramona, at 706 Pueblo Pl., Fullerton, CA 92635.

**Dennie J. Koupal, '53-575**, a retired commander in the USNR, is involved with the San Francisco chapter of OX alumni, the Diablo Sailing Club, the Morgan Club (automobile) of northern California, and the Obsidian Club (outdoors). "I retired from Pacific Bell after 26½ years as a manager. Last year, Janet and I toured the Orient — Hong Kong, China, and Japan. We celebrated our 30th wedding anniversary in Hawaii, and we just returned from 3 weeks in England, Scotland, and Wales. I was 'master of ceremonies' at Founders Day '87 at Mu Chapter (UC-Berkeley)," Dennie wrote in December 1987. He and his wife, Janet (AOΓ), are the parents of Kenneth (28), Robert (27, OX, UC-Davis), and Thomas (24). Address: 303 Menlo Ct., Walnut Creek, CA 94598.

**Phillip H. Miller, '55-602**, writes, "We had a great fraternity when I was there, but you guys are doing even better. I hope you're proud." He lives at 155 Oak Ave., #8, Woodland, CA 95695.

**Dwight J. Matson, '62-719**, enjoys backpacking, fishing, jogging, and skiing. He writes, "Joanne, my wife of 20 years, died of cancer in November 1987. She was regional manager for 55 Casual Corner stores in northern California and western Nevada." "Ollie," a Lucky stores pharmacist, lives with his children, Darren (7) and Erika (9), at 19095 Portos Dr., Saratoga, CA 95070.

**Daniel F. Johnson, '64-753**, a Lt. Col. in the USAF (21 years), shares, "I'm presently on the final assignment with the Air Force and plan on retiring in 3-4 years. We'll definitely remain in the Sacramento area, and I'll update my BS in business and MBA at Sacramento State. I thoroughly enjoyed the *Tattler* and congratulate all of you on the tremendous job you've done at OX!" "D. J." enjoys private flying, boating, fishing, and camping, and he and his wife, Jean (Women's Medical College of Penn.), have two children, Kimberly (15) and Scott (12). Daniel and his family reside at 6005 Kifisia Way, Fair Oaks, CA 95628.

**Gordon P. Currie, '71-864**, is a member of the Southern California Striders Track Club, and he shares, "Tell all my fraternity brothers that I've settled in Orange County, CA. This past year has produced many changes — marriage and fatherhood. We would be glad to hear from all fraternity brothers living in southern California." Gordon works for Mortgage Corporation West as a loan officer (3 years), and he and his wife, Crystal, are the parents of Ian (8 mo.). They make their home at 18703 San Marcos St., Fountain Valley, CA 92708.

**Roger B. Kelsay, '72-883**, is president of Premier Jets, and he and his wife, Millie, are the parents of Vince and Timm. The Kelsays dwell at 7565 SW Willowmere Dr., Portland, OR 97225.

**Albert T. Evans, '73-899**, shares, "I was sorry to hear that **Michael J. Cook ['72-884]** died last summer. He was a good friend and brother. The years pass quickly, and when you hear about friends dying it makes a brother think of the good times at the house...on the front steps, working in the kitchen, or partying in the basement. Much has happened since 1976 and it is hard being so far from the home chapter. Presently, I am at the University of Florida working on a doctorate in science education, after teaching for 10 years. I will take my qualifying exams in October and hope to have my degree by 1990." "Bert" lives at 2220 SW 34th St., #274, Gainesville, FL 32608.

**James A. Dundon, '73-902**, states, "I'm still hunting and fishing as often as possible, and frequently head for the hills with some of the brothers — **Dan Cary ['73-905]**, **Greg Parrott ['73-891]**, and **Dan Field**." "Dundini" is a police officer with the City of Salem Police Dept., and he and his wife, Gayle (Eastern Oregon State College), receive mail at PO Box 468, Salem, OR 97308.

**Douglas L. Woodside, '75-929**, is an assistant controller with Sprouse Reitz Stores, Inc., and he and his wife, Shannon

(AXΩ, PSU), are the parents of Kyle (born in 1986) and Jordan (born in 1987). Doug informs, "Between raising babies and remodeling our home, there hasn't been much free time. But, oddly enough, we are happier now than ever." The Woodside family lives at 4815 NE Wasco, Portland, OR 97213.

**Timothy R. Thatcher, '77-978**, says, "I'm back in Oregon working at Trojan Nuclear Plant [Portland General Electric, nuclear engineer]. I earned my Master's degree in 1984 at Berkeley. I was in the doctoral program when I ran out of money and energy. I'm looking for people to go skiing, river-rafting, hang gliding, and scuba diving." Address: 74500 Deal Rd., Rainier, OR 97048.

**Rorie T. Leone, '79-997**, and his wife, Jan (ΑΔΠ, OSU), recently purchased their first home, and expect their first child in May 1988. Rorie, a commercial loan officer with US Bank, and Jan make their home at 8065 SW Churchill Ct., Tigard, OR 97223.

**Rick L. Carlson, '79-1005**, is a foodbroker with Olmsted & Associates. He lives at 4605 NE 41st Ave., Portland, OR 97211.

**Kenneth W. Johnson, '81-1042**, states, "I just moved out west after spending almost four years in Georgia. I am now busy building gold mines and power plants [The Industrial Company, project engineer (3½ years)] around the western US. 'Hi' to all the bros, and 'congratulations' to the bros in the house who've accomplished so much!" "Junior" and his wife, Martha (ΔΓ, U of OR), live at 550-A, Haskell St., Winnemucca, NV 89445.

**Robert N. Scott, '82-1062**, shares, "We just moved back to Oregon from California. I left Mervyn's and started with Meier & Frank [assistant buyer, housewares] in November 1987. Sandi [ΔΔΔ, OSU] graduated from the Univ. of Pacific in Stockton with a Doctor of Pharmacy degree and works for Good Samaritan Hospital in Portland." Bob and Sandi are the parents of Stacie (1), and they reside at 5355 NW 196th Pl., Portland, OR 97229.

## 1987 Honor Roll of Contributors

The 122 brothers listed below represent a total of \$3,413 given to the Sigma Chapter 1987 alumni communications program (11 gifts in memoriam). Each alum is asked to give once during 1988. Every dollar — and the brother who gives it — is appreciated!
